APR offer as low as 1.85% (Calculated based on a loan amount of HK\$1,500,000 or above with repayment tenor of 12 months and monthly flat rate of 0.0830%, with handling fee waiver) is applicable to the selected customers group, such as BOCHK Private Wealth Customer. The rate for individual customers may vary, if customer's loan application cannot meet our approval requirements, BOCHK may approve a loan to individual customers on a case-by-case basis but the interest rate offered may be adjusted. Customers will be notified of the relevant adjusted interest rate upon loan approval.

b. In the example of Loan Top up:

c. In the example of Balance Transfer:

10. BOCHK reserves the right of final decision on any Loan application. BOCHK reserves the right to decide whether to accept or reject the application with reference to the applicant's credit report and the information provided by the applicant. The applicant is not required to provide any reason for the rejection of the application. If necessary, BOCHK reserves the right to request the applicant to provide extra documents for further approval purposes. The Loan is subject to the terms set out in the Loan document signed between the Loan applicant and BOCHK.

11. Early Settlement Fee

Upon early settlement of the Loan, outstanding interest and principal shall be calculated on the basis of "Reducing Balance Method". The Borrower shall pay an early settlement fee which is 2% of the approved principal amount of the loan. BOCHK may at its discretion adjust the early settlement fee at any time.

Please note that different loan products have an individual calculation of the apportionment of the interest and principal even though the monthly repayment amount is equal. More interest will, in general, be included in

earlier repayments, and less on principal. In other words, where a borrower has been making repayments as scheduled for some time, the amount of outstanding interest is likely to be small. If the borrower chooses to pay off the loan early at this moment, the loss may outweigh the gain as the amount saved may not be enough to cover the relevant charges for early repayment. You are suggested to make enquiries to BOCHK for the total settlement amount (including the loan outstanding amount, early settlement/ redemption fee and other incurred fee(s)) and unpaid interest. You may visit our BOCHK website Home> Loan> Personal Loan> BOC Express Cash Instalment Loan/ BOC Express Cash Instalment Loan Top up/ BOC Express Cash Instalment Loan Balance Transfer to refer to Instalment Loan Calculator and Repayment Schedule, for details of apportionment of interest and principal for each loan repayment throughout the loan tenor, the method of apportionment and the incurred fee(s). You are advised to make comparison and consider thoroughly before deciding whether to choose an early repayment.
