## BOC Credit Card Key Facts Statement

Booolean	Overdue APR	
Interest Rates and	for Retail Spending / Cash	
Annualized Percentage Rate (APR) for Retail Spending / Cash Advance	Maximum <b>35.70%</b> <sup>*</sup> for retail spending / <b>37.96%</b> <sup>*</sup> for cash advance when you open your account and it will be reviewed from time to time.	Advance (continue)
	No interest will be payable if the outstanding balance is paid in full on or before the due date. If no payment or payment of less than the outstanding balance is made on or before the due date, interest will be charged on a daily basis at the then prevailing interest rate (that is to say, an interest-free period of 26 days from the date of the statement will not be available). Interest will be charged on (1) the unpaid balance from the date of the statement until payment is made in full thereof and (2) the amount of each new transaction (i.e. a transaction occurring at any time after the last transaction as shown in the statement, or at any time before that last transaction which has not been debited to the cardholder's account and shown in the statement) from the date of that new transaction until payment is made in full thereof (a minimum charge of <b>HK\$5</b> / <b>CNY5</b> (where applicable for HKD or CNY account respectively) is imposed). Such charge will be recorded in the next statement.	Interest Free Period Minimum Payment
