

Finger Vein Authentication Services

BOC Credit Card (International) Limited is committed to providing customers good quality card services.

Bank of China (Hong Kong) (BOCHK) has introduced the first-ever "Finger Vein Authentication" , which provides customers with a fast and secure banking service. Effective immediately, you can also use "Finger Vein Authentication" to conduct both credit card or banking transactions such as cash withdrawal, money transfer and so on at any designated ATM if you have incorporated your credit card to your BOCHK bank account to enjoy signature-free and password-free services.

Where and how to enroll? Simply visit a designated BOCHK branch for a one off "Finger Vein Authentication" registration to experience this innovative "Finger Vein Authentication" service.
