

## Credit Card Monthly Online Spending Limit Service

BOC Credit Card can be used at merchants that accept “Verified by VISA” , “MasterCard SecureCode” or “ UnionPay Online Payment” which requires “One Time Password” to complete online transaction authentication for more convenient and better protection on online purchase. To provide you with a more comprehensive online purchase service, Credit Card Monthly Online Spending Limit Service allows you to set up the monthly online spending limit for your BOC Credit Cards based on your online purchase preference for more secured online transaction with better planning. Please log in to Internet Banking (Select "Setting" > "Set Up Credit Card Monthly Online Spending Limit") or call 24-hour Customer Services Hotline at (852) 2853 8828 to set up the service. For details, please visit [www.boci.com.hk](http://www.boci.com.hk).
