Tips for Conducting Online Transaction Confirmation via Mobile Banking

To enhance transaction security, we have further strengthened transaction protection measures. If you have made online transaction, we may request you to log on Mobile Banking to verify the transaction*. If no transaction notification is received or no verification page appear after login, please go to “Message Centre” to check for transaction verification. Operation tips as follow:

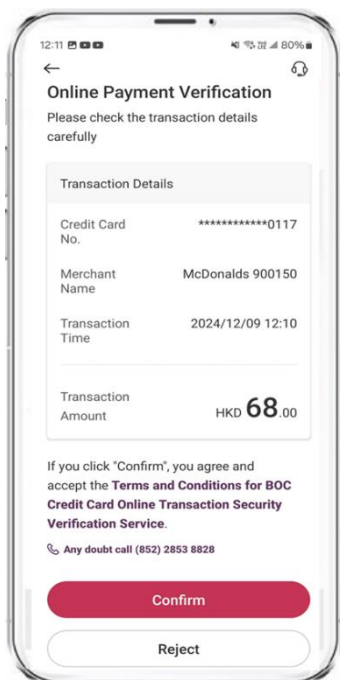

1. Click the “Message Centre” button at the right top corner after log on Mobile Banking

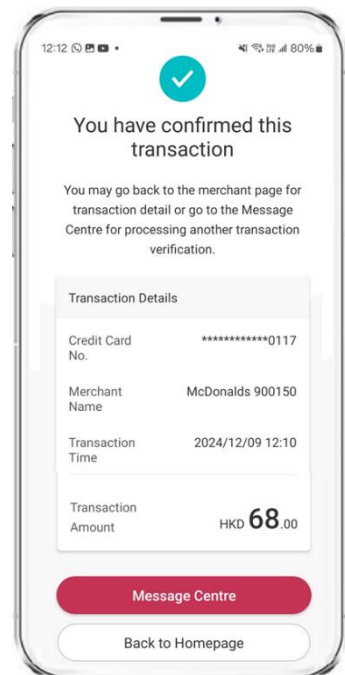

2. Click the relevant e-Alert in “Message Centre”

3. When conducting transaction confirmation, please carefully check the transaction details, e.g., card information, merchant name, transaction time, transaction currency and amount. Click “Confirm” if the transaction details are correct.

4. You will receive a notification after the transaction confirmation is completed

*Available to active Mobile Banking / Internet Banking customers
