3. Proposed re-election of retiring Directors

In accordance with Article 102 of the Articles, any Director who was newly appointed by the Board to fill a causal vacancy or as an additional to the Board shall respectively hold office only until the next following general meeting or the next following annual general meeting of the Company, and shall then be eligible for re-election at such meeting. Accordingly, the terms of office of Mr REN Deqi and Mr XU Luode, being Directors so appointed on 20 October 2015, shall expire at the AGM and, being eligible, offer themselves for re-election.

In accordance with Article 98 of the Articles and pursuant to Code A.4.2 of the Corporate Governance Code, Mr YUE Yi, Mr GAO Yingxin and Mr SHAN Weijian will retire by rotation at the AGM. Mr SHAN Weijian has notified the Company that he has decided not to stand for re-election at the AGM. The other two retiring Directors, Mr YUE Yi and Mr GAO Yingxin, being eligible, will offer themselves for re-election. Separate resolutions will be proposed at the AGM for the re-election of each of the aforesaid retiring Directors who will offer themselves for re-election.

Information on the biographical details of the retiring Directors standing for re-election and their respective attendance records at Board and Committee meetings (if any) is set out in Appendix II to this circular.

All of the retiring Directors are appointed for a term of approximately 3 years subject to rotation in accordance with the Articles and pursuant to the relevant requirements of the Listing Rules. The aforesaid 3-year term will commence from the date of the AGM at which their respective original term expires until the date of the third annual general meeting thereafter. Formal letters of appointment of non-executive directors are in place to set out the key terms and conditions in relation to their respective appointments. Mr YUE Yi, being an Executive Director, is appointed pursuant to a service agreement entered into with the Company. Save for Mr YUE Yi, all of the other retiring Directors do not have any service contracts with the Company.

As a Director of the Company, each of them is entitled to receive a Director's fee of HK\$200,000 per annum together with additional fees for any service rendered for the Board Committee(s), such fees are HK\$100,000 per annum for serving as a Committee chairman and HK\$50,000 per annum for serving as a Committee member. The present scale of Director's fees were determined with reference to the duties and responsibilities with the Company and prevailing market conditions, and were approved by the shareholders at previous general meetings of the Company. The emolument of Mr YUE Yi as an Executive Director was determined by the Board or a duly authorised Board Committee with reference to his duties and responsibilities in the Group, the performance of the Company and himself, and prevailing market conditions and the annual basic salary of Mr YUE Yi is HK\$4,596,855, with discretionary bonus and other benefits. The Executive Directors and Non-executive Directors (excluding Independent Non-executive Directors) have not received their Directors' fees for the year 2015. Details of emoluments of the other retiring Directors are disclosed in Note 20 to the Financial Statements of the Company's Annual Report 2015.

Mr YUE Yi is currently a director of BOCG Life, a company in which BOC holds an equity interest of 49% through a wholly-owned subsidiary of BOC. Mr REN Deqi, Mr GAO Yingxin and Mr XU Luode are currently Executive Vice Presidents of BOC. BOC is the controlling shareholder of the Company within the meaning of Part XV of the SFO. Save as disclosed above and in the biographical details of the retiring Directors set out in Appendix II to this circular, none of the retiring Directors has any relationship with any Directors, senior management or substantial or controlling shareholders of the Company.

APPENDIX I BUSINESS OF ANNUAL GENERAL MEETING

All of the retiring Directors are also directors of BOCHK, the principal operating subsidiary of the Company. In addition, Mr YUE Yi is also a director of certain subsidiaries of the Group. Save as disclosed above and in the biographical details of the retiring Directors set out in Appendix II to this circular, none of the retiring Directors hold any position with the Company or any of its subsidiaries.

As at the Latest Practicable Date, none of the retiring Directors has any interests in the Shares within the meaning of Part XV of the SFO.

Save as disclosed above, there are no other matters concerning the retiring Directors that need to be brought to the attention of the shareholders of the Company nor any information to be disclosed pursuant to the requirements of Listing Rule 13.51(2).

4. Proposed re-appointment of auditor

Pursuant to the "Policy on External Auditor Management" adopted by the Board, the Audit Committee reviewed and monitored and was satisfied with the independence and professionalism of Messrs Ernst & Young ("Ernst & Young"), the Group's external auditor, based on the principles and standards set out in the said policy that were in line with international best practices. Upon the recommendation of the Audit Committee, the Board proposed that Ernst & Young be re-appointed as auditor of the Group at the AGM. Subject to authorisation by the shareholders, the Board will authorise the Audit Committee to determine the remuneration of Ernst & Young.

For 2015, the fee paid by the Group to Ernst & Young was HK\$43 million, of which HK\$28 million was for audit services and HK\$15 million related to other services (mainly including tax-related and advisory services). For 2014, the fee charged by Ernst & Young was HK\$39 million, of which HK\$27 million was for audit services and HK\$12 million related to other services (mainly including tax-related and advisory services).

The Audit Committee was satisfied that the non-audit services for 2015 did not affect the independence of Ernst & Young.

5. General mandates to issue and buy back Shares

The Board is aware of the investors' concerns regarding the potential dilution of the shareholders' value arising from the exercise of power pursuant to the grant of a general mandate to issue Shares. In 2015, the Board had voluntarily restricted the general mandate to issue Shares to 5% (as opposed to 20% permitted under the Listing Rules) of the issued shares of the Company for approval by shareholders at the 2015 annual general meeting if the Shares are issued solely for cash and unrelated to any asset acquisition, otherwise the mandate to issue Shares will remain at 20%.

At the annual general meeting of the Company held on 16 June 2015, the Board was granted general mandates (i) to allot, issue and otherwise deal with Shares up to 20%, or in the case of issue of Shares solely for cash and unrelated to any asset acquisition, 5% of the issued shares of the Company as at the date thereof, plus the aggregate number of Shares purchased by the Company; and (ii) to buy back Shares on the Stock Exchange up to 10% of the issued shares of the Company as at the date thereof. Under the Companies Ordinance and the Listing Rules, these general mandates will lapse at the conclusion of the AGM, unless renewed at that meeting.

Taking into consideration of the above, on the basis of full commitment of the Company to adopt a high standard of corporate governance and following the Companies Ordinance, the Board proposes, as in the previous year, to restrict the general mandate to issue and allot Shares up to 5% (as opposed to 20% permitted under the Listing Rules) of the total number of Shares in issue as at the date of passing of the relevant Resolutions (subject to adjustment in the case of any subdivision and consolidation of shares after the passing of the relevant Resolutions) in the capital of the Company if the Shares are issued solely for cash and unrelated to any asset acquisition, otherwise the mandate to issue Shares will remain at 20%. As further safeguard of shareholders' rights, the Board has adopted the following internal policies for the exercise of such power in the case of an issue of Shares solely for cash:

- (a) The Board will not exercise the mandate at a discount that will result in significant dilution of shareholders' value; and
- (b) The Board will have regard to factors such as the Group's capital adequacy ratio and in particular, its Tier 1 capital, cost and benefit of raising Tier 2 capital, need for cash for the Group's business development, the principle that shareholders should be treated equally, pro-rata rights of shareholders and the alternative of doing a rights issue.

APPENDIX I BUSINESS OF ANNUAL GENERAL MEETING

The exercise of the Share Buy-back Mandate, on the other hand, will generally lead to an enhancement in shareholders' value in terms of, among others, net assets or earnings per share and return on equity. Accordingly, the Board proposes to maintain the Share Buy-back Mandate at 10% of the Company's issued shares as at the date of shareholders' approval at the AGM, as in year 2015. Again, for good corporate governance, the Board has adopted the following internal policies for the exercise of such power:

- (a) The Board will exercise the power upon the occurrence of the triggering events, namely:
- Market price of the Shares is lower than the fair value of the Shares.
 - The Group has surplus funds which is in excess of its short to mid term development requirements.
 - The Board considers it proper and appropriate to exercise the power for enhancing the return on equity or net assets or earnings per Share of the Company.
- (b) In general, such buy backs will be made on the Stock Exchange. However, if it is expected that the size of the buy backs may lead to a disorderly market for the Shares, then the Board will consider to make the buy backs through a general offer, i.e. in proportion to the shareholding of all existing shareholders.
- (c) The buy-back price should not be higher than the fair value of the Shares.

As at the Latest Practicable Date, the total number of Shares in issue was 10,572,780,266 Shares. Subject to the passing of the relevant ordinary resolutions and on the basis that no further Shares would be issued or bought back prior to the AGM, exercise in full of the 20% and 5% general mandate to issue Shares would result in the issue of 2,114,556,053 and 528,639,013 new Shares respectively and the exercise in full of the Share Buy-back Mandate would result in the buy-back of 1,057,278,026 Shares.

The full text of the resolutions to renew the general mandate to allot and issue Shares and the Share Buy-back Mandate is set out in the notice of the AGM contained in this circular. The explanatory statement required by the Listing Rules to be sent to shareholders in connection with the Share Buy-back Mandate is set out in Appendix III to this circular.

APPENDIX II BIOGRAPHICAL DETAILS OF THE RETIRING DIRECTORS STANDING FOR RE-ELECTION

APPENDIX III EXPLANATORY STATEMENT FOR SHARE BUY-BACK MANDATE

This Appendix serves as an explanatory statement, as required by the Listing Rules, to provide requisite information to shareholders for their consideration of the Share Buy-back Mandate which permits the buy-back of Shares up to a maximum of 10% of the total number of Shares of the Company in issue as at the date of passing the Share Buy-back Resolution. The Listing Rules provide that all buy-backs of shares on the Stock Exchange by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of a specific approval in relation to specific transactions or by a general mandate to the board of directors of the company to make such buy-backs.

This Appendix also constitutes a memorandum of the terms of the Share Buy-back Mandate as required under Sections 238-239 of the Companies Ordinance.

1. SHARES ISSUED

As at the Latest Practicable Date, the total number of Shares in issue was 10,572,780,266 Shares.

Subject to the passing of the Share Buy-back Resolution and on the basis that no further Shares would be issued prior to the AGM, the Company would be allowed under the Share Buy-back Resolution to buy back a maximum of 1,057,278,026 Shares based on the total number of Shares of the Company in issue as at the Latest Practicable Date (subject to adjustment in the case of any subdivision and consolidation of Shares after the passing of the relevant Resolution).

2. REASONS FOR SHARE BUY-BACK

The Board of Directors believes that the Share Buy-back Mandate is in the interests of the Company and its shareholders as a whole. Such buy-back may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets and/or earnings per Share of the Company and will only be made when the Board of Directors believes that such a buy-back will benefit the Company and its shareholders as a whole.

3. FUNDING OF BUY-BACKS

In the buy-back of Shares, the Company may only apply funds legally available for such purpose in accordance with its Articles and the Companies Ordinance. The Companies Ordinance provides that the amount paid in connection with a buy-back may only be made from the distributable profits of the Company and/or the proceeds of a new issue of Shares made for the purpose of the buy-back to the extent permissible under the Companies Ordinance.

If the Share Buy-back Mandate were to be carried out in full at any time during the proposed buy-back period, the Board of Directors will ensure that there will not be any material adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited accounts of the Company for the year ended 31 December 2015.

4. SHARE PRICE

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the previous 12 months before the Latest Practicable Date and up to the Latest Practicable Date were as follows:

	Share Price (HK\$)	
	Highest	Lowest
2015		
April	31.70	27.65
May	33.70	29.20
June	33.30	31.10
July	32.95	26.70
August	32.00	25.15
September	26.20	22.30
October	26.50	22.75
November	26.00	23.65
December	24.45	22.45
2016		
January	23.75	19.40
February	20.60	18.82
March	23.25	20.00
April (made up to the Latest Practicable Date)	23.10	22.20

5. UNDERTAKING

The Board of Directors has undertaken to the Stock Exchange that, so far as the same may be applicable, it will exercise the powers of the Company to make buy-backs pursuant to the Share Buy-back Mandate and in accordance with the Listing Rules, the applicable laws of Hong Kong and the regulations set out in the Articles.

None of the Directors and, to the best of their knowledge having made all reasonable enquiries, their associates, have any present intention to sell any Shares to the Company if the Share Buy-back Mandate is granted by the shareholders.

No connected persons (as defined in the Listing Rules) have notified the Company that they have a present intention to sell Shares to the Company, or have undertaken not to sell any Shares to the Company in the event that the Share Buy-back Mandate is granted by the shareholders.

6. EFFECT OF THE CODES ON TAKEOVERS AND MERGERS AND SHARE BUY-BACKS

The Board of Directors is not aware of any consequences which the exercise in full of the Share Buy-back Mandate would have under The Codes on Takeovers and Mergers and Share Buy-backs. Based on the register maintained by the Company pursuant to section 336 of the SFO, as at the Latest Practicable Date, Central Huijin beneficially owned Shares representing approximately 66.06% of the total number of issued shares of the Company. If the Board were to exercise the Share Buy-back Mandate in full, Central Huijin's percentage shareholding in the Company would be increased to approximately 73.40%. Such an increase would not give rise to an obligation to make a mandatory offer under Rule 26 of The Codes on Takeovers and Mergers and Share Buy-backs.

The Board of Directors shall ensure that no buy-back of Shares would result in the aggregate number of Shares held by public shareholders falling below the minimum percentage specified by the Stock Exchange in respect of the Company.

7. BUY-BACKS MADE BY THE COMPANY

The Company has not bought back any Shares (whether on the Stock Exchange or otherwise) in the 6 months preceding the date of this circular.
