Dear Shareholders,

The Board invites you to attend the AGM to be held on Thursday, 26 June 2025 at 2:00 p.m. at Four Seasons Grand Ballroom, Level 2, Four Seasons Hotel Hong Kong, 8 Finance Street, Central, Hong Kong. **The Company has arranged an option for Shareholders in attending and voting at the AGM through the Online Platform instead of attending the meeting in person. Further, the Company is committed to undertaking corporate social responsibility and will enhance the arrangement by making charitable donations as an alternative to distribution of corporate gifts to Shareholders who attend the AGM in order to help people in need.**

The items of business to be considered at the AGM are described in detail in the notice of the AGM which follows this letter. **Your participation in the AGM is very important and you can exercise your right to vote whether or not you choose to attend the meeting.** If you are unable to attend the AGM in person or online, the Board encourages you to vote by completing and returning the enclosed proxy form. Even if you have done so, you may still attend and vote in person or online at the AGM if you so wish.

On 11 June 2024, the Stock Exchange amended the Listing Rules, listed issuers may hold the repurchased shares in treasury subject to the laws of their places of incorporation and their constitutional documents ("**New Treasury Share Regime**"). The Companies Ordinance was amended to establish the New Treasury Share Regime, which has come into effect on 17 April 2025 (three months after being published in the Gazette on 17 January 2025 by the HKSAR Government). The Board believes that the New Treasury Share Regime will provide greater flexibility to the Company in managing the capital structure. Accordingly, the ordinary resolutions in relation to the general mandates to issue and buy back shares will be proposed at the AGM, under which, the repurchased shares could be cancelled or be held as Treasury Shares and the issuance of shares would include any sale or transfer of the Treasury Shares listed on the Stock Exchange (if any).

The Board believes sound corporate governance is crucial to our development in the long term and aspires to a high standard of governance. **As part of our ongoing efforts to enhance our corporate governance and transparency, we have provided in this circular background information to the resolutions to be proposed at the AGM (see Appendix I), biographical details of the retiring Directors standing for re-election (see Appendix II), explanatory statement for Share Buy-back Mandate (see Appendix III) and information on voting and other issues relating to the AGM in the form of "Frequently Asked Questions" (see Appendix IV) so that Shareholders have a better understanding of their rights and can make an informed decision in relation to the subject matters of the AGM.**

All resolutions put to Shareholders at the AGM will be voted on by poll. For such purpose, the Company has engaged Computershare Hong Kong Investor Services Limited, the Company's share registrar, to act as the scrutineer. **Results of the poll voting will be published on the Company's website at www.bochk.com and the Stock Exchange's website at www.hkexnews.hk.**

The Board considers that all resolutions proposed for consideration and approval by the Shareholders at the AGM are in the best interests of the Company and its Shareholders as a whole. Accordingly, the Board recommends the Shareholders to vote in favour of the proposed resolutions.

We look forward to seeing you and answering your questions at the AGM.

Yours faithfully,
On behalf of the Board
GE Haijiao
Chairman

(vi) Explanatory statement provided under Code Provision B.3.4 of Appendix C1 of the Listing Rules

According to the Procedures for the Nomination and Appointment of Independent Non-executive Directors and Mandate of the Nomination and Remuneration Committee adopted by the Company, the Nomination and Remuneration Committee will undertake the selection and nomination of Independent Non-executive Director candidates, the re-appointment of any Non-executive Directors on the completion of their specified terms, and make relevant recommendations to the Board.

Furthermore, when changes to the members or composition of the Board or the Committees are required or when casual vacancies arise, the Nomination and Remuneration Committee shall adhere to the principles stated in the Board Diversity Policy adopted by the Company and take into account the existing composition of the Board and the Committees, regulatory requirement as well as the strategy and development of the Group, and nominate potential candidates by reference to their capacity and the selection criteria to the Board for approval.

Mdm FUNG Yuen Mei Anita, the retiring Independent Non-executive Director, has met the independence criteria stated in the Policy on Independence of Directors adopted by the Company, which sets out more stringent independence criteria than those contained in the Listing Rules. Moreover, Mdm FUNG Yuen Mei Anita has given the confirmation of independence to the Company. With due consideration of the above factors, the Board believes that Mdm FUNG Yuen Mei Anita is independent.

Considering Mdm FUNG Yuen Mei Anita has extensive experience in the banking and financial services industry with substantial knowledge in business management and strategy, capital market, corporate governance, risk management and sustainable development, the Board believes that her expertise will enable her to fulfill her role as independent non-executive director effectively, provide useful and constructive opinion and make contribution to the Board and the development of the Company.

Based on the diversified background of Mdm FUNG Yuen Mei Anita, including but not limited to cultural and educational background, ethnicity, professional experience, skills and knowledge, it is believed that Mdm FUNG Yuen Mei Anita can contribute to diversity of the Board.

4. Re-appointment of Auditor

The Board, upon the recommendation of the Audit Committee, passed the proposed appointment of Ernst & Young as Auditor of the Group for the financial year 2024, which was approved by Shareholders at the 2024 extraordinary general meeting of the Company. Ernst & Young shall hold office until the conclusion of the AGM and the Board authorised the Audit Committee to determine the remuneration of Ernst & Young.

Pursuant to the BOCHK External Auditor Management Policy adopted by the Board, the Audit Committee reviewed and monitored, and was satisfied with, the independence and objectivity of Ernst & Young and the effectiveness of its audit procedures based on the principles and standards set out in the said Policy that were in line with international best practices. Upon the recommendation of the Audit Committee, the Board proposed that Ernst & Young be re-appointed as Auditor of the Group at the AGM. Subject to shareholders' authorisation, the Board will authorise the Audit Committee to determine the remuneration of Ernst & Young.

For 2024, the fees paid or payable by the Group to Ernst & Young as the external auditor was HK\$35 million, of which HK\$27 million related to audit services and HK\$8 million related to other services (mainly including tax compliance services and services provided to meet the requirements of regulatory bodies).

The Audit Committee was satisfied that the non-audit services in 2024 did not affect the independence of Ernst & Young.

5. General mandates to issue and buy back Shares

At the annual general meeting of the Company held on 27 June 2024, the Board was granted general mandates (i) to allot, issue and otherwise deal with Shares up to 10%, or in the case of issue of Shares solely for cash and unrelated to any asset acquisition, 5% of the issued shares of the Company as at the date thereof, and the discount rate of issue price shall not exceed 10% of the Company's benchmarked price; and (ii) to buy back Shares on the Stock Exchange up to 10% of the issued shares of the Company as at the date thereof. Under the Companies Ordinance and the Listing Rules, these general mandates will lapse at the conclusion of the AGM, unless renewed at that meeting.

Taking into consideration of the investors' concerns regarding the potential dilution of the shareholders' value arising from the exercise of the general mandate to issue Shares, and on the basis of full commitment of the Company to adopt a high standard of corporate governance, following the Companies Ordinance and the Listing Rules (including the amendments to the Companies Ordinance and the Listing Rules in relation to the new treasury share regime), as well as fully considering the strategic business development plan of the Group and made reference to market practices, the Board proposes, as in the previous year, the following further restrictions be placed on the general mandates:

- (a) the maximum percentage of Shares to be issued under general mandate shall be 10% of the total number of Shares in issue (excluding Treasury Shares, if any) as at the date of passing of this Resolution (subject to adjustment in the case of any subdivision or consolidation of Shares after the passing of this Resolution);
- (b) setting of the discount rate of issue price shall not exceed 10% of the Company's benchmarked price; and
- (c) to restrict the general mandate to allot and issue Shares up to 5% of the total number of Shares in issue (excluding Treasury Shares, if any) as at the date of passing of this Resolution (subject to adjustment in the case of any subdivision or consolidation of Shares after the passing of this Resolution) in the capital of the Company if the Shares are issued solely for cash and unrelated to any asset acquisition.

As further safeguard of shareholders' rights, the Board has adopted the following internal policies for the exercise of such power in the case of an issue of Shares solely for cash:

- (a) The Board will not exercise the mandate at a discount that will result in significant dilution of shareholders' value; and
- (b) The Board will have regard to factors such as the Group's capital adequacy ratio and in particular, its Tier 1 capital, cost and benefit of raising Tier 2 capital, need for cash for the Group's business development, the principle that Shareholders should be treated equally, pro-rata rights of Shareholders and the alternative of doing a rights issue.

APPENDIX I BUSINESS OF ANNUAL GENERAL MEETING

The exercise of the Share Buy-back Mandate, on the other hand, will generally lead to an enhancement in shareholders' value in terms of, among others, net assets or earnings per share and return on equity. Accordingly, the Board proposes to maintain the Share Buy-back Mandate at 10% of the Company's total number of issued shares (excluding Treasury Shares, if any) as at the date of shareholders' approval at the AGM. Again, for good corporate governance, the Board has adopted the following internal policies for the exercise of such power:

- (a) The Board will exercise the power upon the occurrence of the triggering events, namely:
- Market price of the Shares is lower than the fair value of the Shares.
 - The Group has surplus funds which are in excess of its short to mid-term development requirements.
 - The Board considers it proper and appropriate to exercise the power for enhancing the return on equity or net assets or earnings per share of the Company.
- (b) In general, such buy-backs will be made on the Stock Exchange. However, if it is expected that the size of the buy-backs may lead to a disorderly market for the Shares, then the Board will consider making the buy-backs through a general offer, i.e. in proportion to the shareholding of all existing shareholders.
- (c) The buy-back price should not be higher than the fair value of the Shares.

As at the Latest Practicable Date, the total number of Shares in issue (excluding Treasury Shares, if any) was 10,572,780,266 Shares. Subject to the passing of the relevant ordinary resolutions and on the basis that no further Shares would be issued or bought back prior to the AGM, exercise in full of the 10% and 5% general mandate to issue Shares would result in the issue of 1,057,278,026 and 528,639,013 new Shares respectively and exercise in full of the Share Buy-back Mandate would result in the buy-back of 1,057,278,026 Shares.

The full text of the resolutions to renew the general mandate to allot and issue Shares and the Share Buy-back Mandate is set out in the notice of the AGM contained in this circular. The explanatory statement required by the Listing Rules to be sent to Shareholders in connection with the Share Buy-back Mandate is set out in Appendix III to this circular.

APPENDIX III EXPLANATORY STATEMENT FOR SHARE BUY-BACK MANDATE

This Appendix serves as an explanatory statement, as required by the Listing Rules, to provide requisite information to Shareholders for their consideration of the Share Buy-back Mandate which permits the buy-back of Shares up to a maximum of 10% of the total number of shares of the Company in issue (excluding Treasury Shares, if any) as at the date of passing of the Share Buy-back Resolution. The Listing Rules provide that all buy-backs of shares on the Stock Exchange by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of a specific approval in relation to specific transactions or by a general mandate to the board of directors of the company to make such buy-backs.

This Appendix also constitutes a memorandum of the terms of the Share Buy-back Mandate as required under sections 238 and 239 of the Companies Ordinance.

1. SHARES ISSUED

As at the Latest Practicable Date, the total number of Shares in issue was 10,572,780,266 Shares. As at the Latest Practicable Date, the Company did not hold any Treasury Shares.

Subject to the passing of the Share Buy-back Resolution and on the basis that no further Shares would be issued or bought back prior to the AGM, the Company would be allowed under the Share Buy-back Resolution to buy back a maximum of 1,057,278,026 Shares based on the total number of Shares of the Company in issue (excluding Treasury Shares, if any) as at the Latest Practicable Date (subject to adjustment in the case of any subdivision or consolidation of Shares after the passing of the Share Buy-back Resolution).

To the extent permitted by, and complying with the prevailing requirements of, the Listing Rules, the Companies Ordinance (as amended from time to time) and any other applicable laws and regulations from time to time in force, the Company may either cancel the repurchased shares and/or hold such shares in treasury subject to market conditions and the Company's capital management needs at the relevant time any repurchases of shares are made. If there are any Treasury Shares of the Company deposited with CCASS pending resale on the Stock Exchange, the Company will adopt appropriate measures to ensure that it does not exercise any shareholders' rights or receive any shareholders' entitlements which would otherwise be suspended under the applicable laws if those shares were registered in the Company's own name as Treasury Shares. These measures may include that (i) the Company will not (or will procure its broker(s) not to) give any instructions to Hong Kong Securities Clearing Company Limited to vote at general meetings for the Treasury Shares deposited with CCASS and (ii) in the case of dividends or distributions, the Company will withdraw the Treasury Shares from CCASS, and either re-register them in its own name as Treasury Shares or cancel them, in each case before the record date for the dividends or distributions.

2. REASONS FOR SHARE BUY-BACK

The Board of Directors believes that the Share Buy-back Mandate is in the interests of the Company and its Shareholders as a whole. Such buy-back may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets and/or earnings per share of the Company and will only be made when the Board of Directors believes that such a buy-back will benefit the Company and its Shareholders as a whole.

3. FUNDING OF BUY-BACKS

In the buy-back of Shares, the Company may only apply funds legally available for such purpose in accordance with the Articles and the Companies Ordinance. The Companies Ordinance provides that the amount paid in connection with a buy-back may only be made from the distributable profits of the Company and/or the proceeds of a new issue of Shares made for the purpose of the buy-back to the extent permissible under the Companies Ordinance.

If the Share Buy-back Mandate is to be carried out in full at any time during the proposed buy-back period, the Board of Directors will ensure that there will not be any material adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited accounts of the Company for the year ended 31 December 2024.

APPENDIX III EXPLANATORY STATEMENT FOR SHARE BUY-BACK MANDATE

5. EXERCISE OF SHARE BUY-BACK MANDATE

The Board of Directors confirms that neither the explanatory statement for the Share Buy-back Mandate nor the proposed Share buy-back has any unusual features.

None of the Directors and, to the best of their knowledge having made all reasonable enquiries, their close associates (as defined in the Listing Rules) has any present intention to sell any Shares to the Company if the Share Buy-back Mandate is granted by the Shareholders.

No core connected persons (as defined in the Listing Rules) have notified the Company that they have a present intention to sell Shares to the Company, or have undertaken not to sell any Shares to the Company in the event that the Share Buy-back Mandate is granted by the Shareholders.

6. EFFECT OF THE TAKEOVERS CODES

The Board of Directors is not aware of any consequences which the exercise in full of the Share Buy-back Mandate would have under the Takeovers Codes. Based on the register maintained by the Company pursuant to section 336 of the SFO, as at the Latest Practicable Date, Central Huijin beneficially owned Shares representing approximately 66.06% of the voting rights of the Company (excluding Treasury Shares, if any). If the Board were to exercise the Share Buy-back Mandate in full and cancel the repurchased Shares, Central Huijin's voting rights in the Company would be increased to approximately 73.40%. Such an increase would not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Codes.

The Board of Directors shall ensure that no buy-back of Shares would result in the aggregate number of Shares held by public shareholders falling below the minimum percentage specified by the Stock Exchange in respect of the Company.

7. BUY-BACKS MADE BY THE COMPANY

The Company has not bought back any Shares (whether on the Stock Exchange or otherwise) in the 6 months preceding the date of this circular.
