

## Upgrade of Corporate Internet Banking to **iGTB NET**

As our commitment to provide you with better and more efficient banking services, we are pleased to inform you that we are upgrading our Corporate Internet Banking from "CBS Online" / "BOCNET HK" to "**iGTB NET**".

### New interface with Graphic Visualization Customer Experience Oriented

- ▶ Comprehensive data displayed via dashboard and card-view features
- ▶ Enrich of the account information with real time display of multi-currencies account balance, e-advice download, beneficiary advice etc
- ▶ Support 54 international currencies remittance, including 17 major currencies and 37 non-major currencies
- ▶ Enhanced control center, real time transaction monitoring through "Work Queue"

For more information, please click [here](#).

### Upgrading Arrangement

Existing "CBS Online" / "BOCNET HK" customers will receive our notice on the upgrading arrangement by post or email. Existing login credentials including OTP hard token and E-Certs will continue to take effect in "iGTB NET".
