## LETTER FROM THE CHAIRMAN

According to the Company's Articles of Association, at general meetings of the Company, votes can be taken either by a show of hands or on a poll. On a show of hands, one shareholder has one vote whereas on a poll, one shareholder has one vote for each share he/she is holding. In general, a resolution will be voted on by a show of hands unless a poll is demanded before or on the declaration of the result of the show of hands by: (a) the Chairman of the meeting; or (b) at least 3 shareholders present at the meeting in person or by proxy; or (c) any shareholder or shareholders holding in aggregate not less than 10% of the Company's issued share capital. In addition, the chairman of a meeting and/or directors who, individually or collectively, hold proxies in respect of Shares representing 5% or more of the total voting rights at a particular meeting shall demand a poll in certain circumstances where, on a show of hands, a meeting votes in the opposite manner to that instructed in those proxies. **As a good corporate governance practice, the Board of Directors has resolved that as a matter of policy, all resolutions put to shareholders at general meetings will be voted on by poll.** For such purpose, we have engaged Computershare Hong Kong Investor Services Limited, the Company's share registrar, to act as the scrutineer. **Results of the poll voting will be published in the press and on the Company's website at [www.bochk.com](http://www.bochk.com) and the Stock Exchange's website at [www.hkex.com.hk](http://www.hkex.com.hk).**

**The Board considers that all resolutions proposed for consideration and approval by the shareholders at the AGM are in the best interests of the Company and its shareholders as a whole.** Accordingly, the Board recommends that shareholders vote in favour of the proposed resolutions.

We look forward to seeing you and answering your questions at the AGM.

Yours faithfully,  
**XIAO Gang**  
Chairman

*Notes:*

1. As a good corporate governance practice, the Board of Directors has resolved that as a matter of policy, all resolutions put to shareholders at general meetings will be voted on by poll.
2. Any member entitled to attend and vote at the meeting convened by the above notice is entitled to appoint one or two proxies to attend and vote instead of him/her. A proxy need not be a member of the Company.
3. In order to be valid, the instrument appointing a proxy together with the power of attorney or other authority, if any, under which it is signed, or a notarially certified copy of such power of attorney or authority, should be deposited at the registered office of the Company at least 48 hours before the time fixed for holding the meeting or any adjournment thereof. Completion and return of a form of proxy will not preclude a member from attending in person and voting at the meeting or any adjournment thereof should he/she so wish.
4. The Register of Members of the Company will be closed, for the purpose of determining shareholders' entitlement to the proposed final dividend, from Thursday, 17 May 2007 to Tuesday 22 May 2007 (both days inclusive), during which period no transfer of shares can be registered. Based on such confirmation and the information available to the Board, and by reference to the "Policy on Independence of Directors" previously adopted by the Board, the Board considers that Mr. Tung and Mdm. Yang are independent. Further, in view of their extensive knowledge and experience, the Board believes that their re-election is in the best interests of the Company and the shareholders as a whole.
6. In relation to Resolution 6, an explanatory statement (as required by the Listing Rules) is set out in Appendix III of this circular.
7. By Resolutions 5 and 7, approval is being sought from members, as a general mandate in compliance with section 57B of the Companies Ordinance (Cap. 32 of the Laws of Hong Kong) and the Listing Rules, so that in the event it becomes desirable for the Company to issue any new shares, the Board of Directors is given the flexibility and discretion to allot and issue new shares up to 20% or 10% (as the case may be) of the issued share capital of the Company, together with such number of shares as may be purchased by the Company pursuant to the general mandate under Resolution 6, as more particularly described in Resolutions 5, 6 and 7.
8. In case of joint shareholdings, the vote of the senior joint shareholder who tenders a vote, whether in person or by proxy, will be accepted to the exclusion of the votes of the other joint shareholder(s) and for this purpose seniority will be determined by the order in which the names stand in the Register of Members of the Company in respect of the joint shareholding. Accordingly, investors who wish to have joint shareholding in the Company should bear in mind the above provisions when they decide how they wish their shares to be registered.

## APPENDIX I BUSINESS OF THE ANNUAL GENERAL MEETING

### 2. Declaration of 2006 final dividend

The Board has recommended a final dividend of HK\$0.447 per share which is subject to approval of shareholders at the AGM. If approved, the final dividend will be paid on Wednesday, 30 May 2007 to shareholders whose names appear on the Register of Members of the Company on Tuesday, 22 May 2007. Together with the interim dividend of HK\$0.401 per share declared in August 2006, the total dividend payout for 2006 would be HK\$0.848 per share.

### 3. Re-election of Directors

In accordance with Article 98 of the Company's Articles of Association, at each annual general meeting, one-third of the Directors or the nearest number to but not less than one-third of the Directors shall retire from office by rotation and be eligible for re-election. Mr. Sun Changji, Mr. Hua Qingshan, Mr. Zhou Zaiqun, Mr. Tung Chee Chen and Mdm. Yang Linda Tsao will retire by rotation at the AGM and, being eligible, offer themselves for re-election. Notwithstanding the provisions of the Companies Ordinance, separate resolutions will be proposed for the re-election of each of the aforesaid retiring directors.

Information on the retiring Directors' biographical details and attendance records at Board and Committee meetings (if any) is set out in Appendix II of this circular.

All of the retiring non-executive Directors are appointed for a term of approximately 3 years subject to rotation in accordance with the Company's Articles of Association. The aforesaid 3 years term will commence from the date of the annual general meeting in the year when their respective original term expires until the date of the third annual general meeting thereafter. Formal letters of appointment are in place to set out the key terms and conditions relative to their appointment. No retiring Director has a service contract with the Company.

As a Director of the Company, each of the retiring Directors is entitled to receive a Director's fee of HK\$200,000 per annum together with additional fees for any service on Board Committee(s), that is HK\$100,000 per annum as a Committee chairman and HK\$50,000 per annum as a Committee member. The level of aforesaid fees were determined with reference to the duties and responsibilities with the Company and prevailing market conditions, and were approved by the shareholders at previous general meetings of the Company.

Each of the retiring Independent Non-executive Directors, namely, Mr. Tung Chee Chen and Mdm. Linda Tsao Yang, has given an annual confirmation of his/her independence to the Company. Based on such confirmation and the information available to the Board, and by reference to the "Policy on Independence of Directors" previously adopted by the Board which sets out more stringent independence criteria than those contained in the Listing Rules, the Board considers that Mr. Tung and Mdm. Yang are independent. Further, in view of their extensive knowledge and experience, the Board believes that their re-election is in the best interests of the Company and the shareholders as a whole.

Mr. Sun was Vice Chairman of BOC from 2000 to 2004 and Executive Vice President of BOC from 1999 to 2004. Mr. Hua is currently an Executive Director and Executive Vice President of BOC. Mr. Zhou is currently an Executive Vice President of BOC and was a Managing Director of BOC from 2000 to 2004. BOC is the Company's controlling shareholder. Save as disclosed aforesaid, none of the retiring Directors has any relationship with any Directors, senior management or substantial or controlling shareholders of the Company.

## APPENDIX I BUSINESS OF THE ANNUAL GENERAL MEETING

All of the retiring directors are also directors of BOCHK, the principal operating subsidiary of the Company. In addition, Mr. Zhou is also Chairman of BOC Credit Card (International) Limited, a wholly-owned subsidiary of BOCHK. Save as disclosed aforesaid, none of the retiring Directors hold any position with the Company or any of its subsidiaries.

Mr. Sun, Mr. Hua and Mr. Zhou were granted options by BOC Hong Kong (BVI) Limited, the Company's immediate holding company, pursuant to a Pre-listing Share Option Scheme to purchase Shares of the Company. As at 31 December 2006, Mr. Sun, Mr. Hua and Mr. Zhou had outstanding options to purchase 1,590,600, 1,446,000 and 1,446,000 Shares respectively pursuant to the said Scheme, representing 0.015%, 0.014% and 0.014% respectively of the issued share capital of the Company as at the Latest Practicable Date. Further details of such options are set out in the Report of the Directors of the Company's Annual Report 2006. Save as disclosed aforesaid, none of the retiring Directors has any interests in the Shares of the Company within the meaning of Part XV of the Securities and Futures Ordinance.

Finally, in respect of each of the retiring Directors, there is nothing which needs to be disclosed pursuant to Rule 13.51(2) sub-paragraphs (h) to (v) of the Listing Rules nor is there anything which needs to be brought to the attention of the shareholders.

#### 4. Re-appointment of Auditors

Pursuant to the "Policy on External Auditors" approved by the Board in 2005, the Audit Committee reviewed and monitored and was satisfied with the independence and objectivity of PricewaterhouseCoopers, the Group's external auditors, and the effectiveness of their audit procedures, based on the principles and standards set out in the policy that were in line with international best practices. Upon the recommendation of the Audit Committee, the Board will propose that PricewaterhouseCoopers be re-appointed as auditors of the Group at the AGM. Subject to authorisation by the shareholders, the Board will authorise the Audit Committee to determine the remuneration of PricewaterhouseCoopers.

For 2006, the fee charged by PricewaterhouseCoopers was HK\$37 million, of which HK\$29 million was for audit services and HK\$8 million related to other services. For 2005, the fee charged by PricewaterhouseCoopers was HK\$35 million, of which HK\$27 million was for audit services and HK\$8 million related to other services.

The Audit Committee was satisfied that the non-audit services did not affect the independence of PricewaterhouseCoopers. The non-audit service fees comprised mainly the tax-related services fee of HK\$2.4 million and the due diligence fee of HK\$4.9 million.

#### 5. General Mandates to issue and repurchase shares

By resolutions passed by the shareholders at the annual general meeting of the Company held on 26 May 2006, the Board was granted general mandates (i) to allot, issue and otherwise deal with Shares up to 20%, or in the case of issue of Shares solely for cash and unrelated to any asset acquisition, 10% of the issued share capital of the Company as at the date of passing the said resolutions, plus the aggregate number of Shares purchased by the Company; and (ii) to purchase Shares of the Company on the Stock Exchange up to 10% of the issued share capital of the Company as at the date of passing the said resolutions. Under the Companies Ordinance and the Listing Rules, these general mandates will lapse at the conclusion of the AGM, unless renewed at that meeting.

The Board is aware of investor concerns on possible dilution of shareholders' value resulting from the exercise of the general mandate to issue Shares. Further, the Company is fully committed to adopt a high standard of corporate governance. Accordingly, in conjunction with the renewal of the general mandate to issue and allot Shares at the AGM, the Board proposes, as in the previous year, to restrict the mandate to 10% (as opposed to 20%) of the Company's issued share capital as at the date of shareholders' approval if the Shares are issued solely for cash and unrelated to any asset acquisition but otherwise, the mandate will remain 20%. As further safeguard of shareholders' rights, the Board has adopted the following internal policies for the exercise of such power in the case of an issue of Shares solely for cash:

- (a) The Board will not exercise the mandate at a discount that will result in significant dilution of shareholders' value.
- (b) The Board will have regard to factors such as the Group's capital adequacy ratio and in particular, its Tier 1 capital, cost and benefit of raising Tier 2 capital, need for cash for the Group's business development, the principle that shareholders should be treated equally and even handedly, pro-rata rights of shareholders and the alternative of doing a rights issue.

## APPENDIX I BUSINESS OF THE ANNUAL GENERAL MEETING

The exercise of the Share Repurchase Mandate, on the other hand, will generally lead to an enhancement in shareholders' value in terms of, among others, net assets or earnings per share and return on equity. Accordingly, the Board proposes to maintain the Share Repurchase Mandate at 10% of the Company's issued share capital as at the date of shareholders' approval, as in year 2006. Again, for better corporate governance, the Board has adopted the following internal policies for the exercise of such power:

- (a) The Board will exercise the power upon the occurrence of the triggering events, namely:
- Market price of the Shares is lower than the fair value of the Shares.
  - The Group has surplus funds which is in excess of its short to mid term development requirements.
  - The Board considers it proper and appropriate to exercise the power for enhancing the return on equity or net assets or earnings per Share of the Company.
- (b) In general, such purchases will be made on the Stock Exchange. However, if it is expected that the size of the purchases may lead to a disorderly market for the Shares, then the Board will consider to make the purchases through a general offer, i.e. in proportion to the shareholding of all existing shareholders.
- (c) The purchase price should not be higher than the fair value of the Shares.

As at the Latest Practicable Date, the issued share capital of the Company comprised 10,572,780,266 Shares. Subject to the passing of the relevant ordinary resolutions and on the basis that no further Shares would be issued or repurchased prior to the AGM, exercise in full of the 20% and 10% general mandate to issue shares would result in the issue of 2,114,556,053 and 1,057,278,026 Shares respectively and the exercise in full of the Share Repurchase Mandate would result in the repurchase of 1,057,278,026 Shares.

The full text of the resolutions to renew the general mandate to allot and issue Shares and the Share Repurchase Mandate is set out in the notice of the AGM contained in this circular. The explanatory statement required by the Listing Rules to be sent to shareholders in connection with the Share Repurchase Mandate is set out in Appendix III to this circular.

## APPENDIX III EXPLANATORY STATEMENT FOR SHARE REPURCHASE MANDATE

This Appendix serves as an explanatory statement, as required by the Listing Rules, to provide requisite information to shareholders for their consideration of the Share Repurchase Mandate which permits the purchase of Shares up to a maximum of 10% of the issued share capital of the Company as at the date of passing the Share Repurchase Resolution. The Listing Rules provide that all purchases of shares on the Stock Exchange by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of a specific approval in relation to specific transactions or by a general mandate to the board of directors of the company to make such purchases.

This Appendix also constitutes a memorandum of the terms of the Share Repurchase Mandate as required under Section 49BA of the Companies Ordinance.

### 1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 10,572,780,266 Shares.

Subject to the passing of the Share Repurchase Resolution and on the basis that no further Shares would be issued prior to the AGM, the Company would be allowed under the Share Repurchase Resolution to purchase a maximum of 1,057,278,026 Shares based on the issued share capital of the Company as at the Latest Practicable Date.

### 2. REASONS FOR SHARE REPURCHASE

The Board of Directors believes that the Share Repurchase Mandate is in the interests of the Company and its shareholders as a whole. Such purchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets and/or earnings per Share of the Company and will only be made when the Board of Directors believes that such a purchase will benefit the Company and the shareholders as a whole.

### 3. FUNDING OF PURCHASES

In purchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its Memorandum and Articles of Association and the Companies Ordinance. The Companies Ordinance provides that the amount paid in connection with a purchase may only be made from the distributable profits of the Company and/or the proceeds of a new issue of Shares made for the purpose of the purchase to the extent permissible under the Companies Ordinance.

If the Share Repurchase Mandate were to be carried out in full at any time during the proposed purchase period, there will not be any material adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited accounts of the Company for the year ended 31 December 2006.

### 4. SHARE PRICE

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the previous 12 months before the Latest Practicable Date were as follows:

**5. UNDERTAKING**

The Board of Directors has undertaken to the Stock Exchange that, so far as the same may be applicable, it will exercise the powers of the Company to make purchases pursuant to the Share Repurchase Mandate and in accordance with the Listing Rules, the applicable laws of Hong Kong and the regulations set out in the Memorandum and Articles of Association of the Company.

None of the Directors and, to the best of their knowledge having made all reasonable enquiries, their associates, have any present intention to sell any Shares to the Company if the Share Repurchase Mandate is granted by the shareholders.

No connected persons (as defined in the Listing Rules) have notified the Company that they have a present intention to sell Shares to the Company. Save and except the Directors, no connected persons have undertaken not to sell any Shares held by them to the Company, in the event that the Share Repurchase Mandate is granted by the shareholders.

**6. EFFECT OF THE HONG KONG CODE ON TAKEOVERS AND MERGERS**

The Board of Directors is not aware of any consequences which the exercise in full of the Share Repurchase Mandate would have under the Hong Kong Code on Takeovers and Mergers. As at the Latest Practicable Date, Central SAFE beneficially owned Shares representing 65.87% of the issued share capital of the Company. If the Board was to exercise the Share Repurchase Mandate in full, Central SAFE's percentage shareholding in the Company would be increased to 73.19%. Such an increase would not give rise to an obligation to make a mandatory offer under Rule 26 of the Hong Kong Code on Takeovers and Mergers.

The Board of Directors shall ensure that no purchase of Shares would result in the aggregate number of Shares held by public shareholders falling below the minimum percentage specified by the Stock Exchange in respect of the Company.

**7. PURCHASES MADE BY THE COMPANY**

The Company has not purchased any Shares (whether on the Stock Exchange or otherwise) in the 6 months preceding the date of this circular.

- (a) the Chairman of the meeting; or
- (b) at least 3 shareholders present at the meeting in person or by proxy; or
- (c) any shareholder or shareholders holding in aggregate not less than 10% of the Company's issued share capital.
