Investor Relations Policy and Guidelines

The Company recognises the fundamental importance of maintaining effective communication with its existing and potential investors. We aim to provide clear and timely information that is reasonably required to make a fair investment decision with regard to the Company's equity and debt securities. We also highly value investor feedback and comments for the formulation of the Company's growth strategies to ensure its sustainable development and enhance shareholder value.

Investor Relations Programmes

The objectives of the Company's investor relations programmes are to promote, through various channels, timely and effective communication with the investment community to enhance their knowledge and understanding of the Company's development and strategies. The investment community refers to existing and potential investors of the Company's securities, analysts and securities market professionals. The Company's securities include both equity securities and debt securities.

The Company's investor relations strategies and programmes are formulated and overseen by the Investor Relations Committee, which is chaired by the Company's Chief Executive and comprises members of the senior management. The Investor Relations Division of the Board Secretariat, which reports directly to the Board, is responsible for the implementation of these strategies and acts as an intermediary between the Company and the investment community. Both the Board and the Committee evaluate the effectiveness of the investor relations programmes on a regular basis.

The Company's senior management is highly supportive and actively involved in investor relations activities. We communicate with the investment community in meetings, conferences and road-shows during which we discuss general public information, including disclosed financial information and historical data, markets and product strategies, business strengths and weaknesses, growth opportunities and threats. Any topic will be discussed so long as it is not considered to be material non-public information.

Information Disclosure Policy

The Company attaches high importance to the principles of information disclosure with regard to timeliness, fairness and transparency, and proactively discloses information that may have an impact on investment decision-making. In accordance with relevant legislation and statutory requirements, the Company has prepared an Information Disclosure Policy, which is available on the Company's website for public reference. The policy contains clear guidelines to ensure the following:

1. information disclosure is in compliance with the Listing Rules and other regulatory requirements;
2. all communications with the public, including the investment community and the media, follow the principles of timeliness, fairness, truthfulness, accuracy and compliance; and
3. effective monitoring of procedures for information disclosure is in place.

Access to Corporate Information

The Investor Relations section of the Company's website (www.bochk.com) provides shareholders and investors with access to information on the Company's latest developments according to the principles of the Information Disclosure Policy. These include information in relation to the Company's key developments, interim and annual results as well as quarterly financial and business review updates. Members of the public can access important announcements through the Stock Exchange of Hong Kong. The website also includes regulatory disclosure information that complies with the applicable requirements set out in the Banking (Disclosure) Rules as stipulated by the Hong Kong Monetary Authority.

The Investor Relations section also includes information on credit ratings, shares and dividends, as well as a corporate calendar with dates of important events.

Shareholders and investors are encouraged to view the Company's corporate materials online to support environmental conservation. The Investor Relations website also includes an e-mail alert service to provide corporate updates on the Company's financial performance and latest developments. Shareholders and other interested parties may register on the website to receive updates by email.

Overview of Investor Relations Activities in 2022

In 2022, the Company continued its efforts to provide effective channels for communication with the investment community.

Annual General Meeting

In the interest of the health and safety of the shareholders and other stakeholders attending general meetings during the pandemic and taking into consideration the various social distancing measures as advised by the HKSAR Government, the Company had reviewed the meeting

venue area at the hotel and had arranged to limit physical attendance at the Annual General Meeting held on 29 June 2022 to 100 shareholders by way of pre-registration. In addition, the said general meeting was conducted as a hybrid meeting which allows shareholders to view the proceedings of the meeting and participate in voting and submit questions in a convenient and efficient way by visiting website from anywhere with an internet connection instead of attending the meeting in person.

At the Annual General Meeting held in June 2022, Chairman of the Board, Chairmen and members of the Audit Committee, the Nomination and Remuneration Committee, the Risk Committee, the Strategy and Budget Committee as well as the Sustainability Committee respectively, the Company's senior management and external auditor were present to respond to questions and comments from shareholders. A total of 90 registered shareholders and 16 authorised proxies holding an aggregate of 8,640,081,103 shares, representing 81.72% of the Company's total number of shares in issue, were present. Minutes of the 2022 Annual General Meeting were made available to shareholders on the Company's website.

Results Announcements

Due to the pandemic development, at the Company's 2021 annual results announcement and 2022 interim results announcement, the Company's senior management conducted briefings via "webcast + teleconferences" with analysts and the press to apprise them of the Company's strategy implementation, operating results, business development and outlook as well as to answer their questions. The public could access the results announcements, presentation materials, webcasts, financial data pack and transcripts of analyst briefing sessions on the Company's website and kept themselves updated with the latest financial and earnings performances of the Company. At the same time, the Company leveraged a wide range of social platforms and announced results via Weixin, YouTube and LinkedIn so as to maintain broad communications channels with investors.

INVESTOR RELATIONS

In addition to the interim and annual results announcements, the Company published quarterly financial and business reviews to keep shareholders up-to-date about the Company's performance and financial position.

Communication with the Investment Community

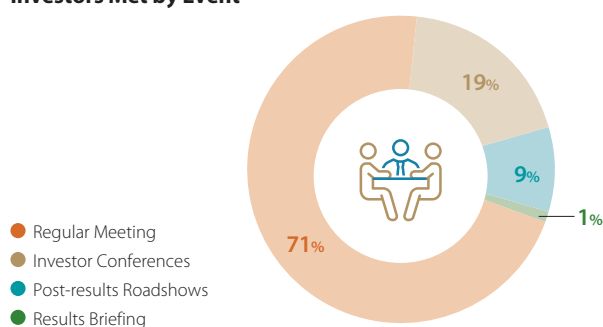

In 2022, the Company had held 197 meetings with a total attendance of over 1,002 investors and analysts across the world. These meetings, which aim to give investors a better understanding of the Company's strategies and new business initiatives as well as to continuously engage them in active and in-depth discussion on the Company's ESG development, were held through virtual results briefings, post-results roadshows, investor conferences, regular meetings and thematic meetings. The Company was widely covered by 12 securities research institutions, among which a good number of them ascribed "Buy" rating to the Company. The Company expanded investor base and optimised its geographical distribution by proactively making use of virtual meeting and interacting with institutional investors across major regions in the globe covering various financial centres and cities including Hong Kong, Beijing, Shanghai, Shenzhen, New York, San Francisco, Toronto, London, Oslo, Frankfurt, Geneva, Brussels, Tokyo, Seoul, Singapore, Sydney, etc., which earned positive reaction from the investment community.

In addition to that, the Company closely monitored the latest market development and continued to promote two-way communication through emails, direct dialogue, survey and investor feedback. The responses received from investors enabled the Company to better understand market focuses and demand for detailed business information, which helped formulate its investor relations plan and continually improve its disclosure standard and investor relations practices.
