The phishing SMS and fraudulent websites intend to steal customers’ data, such as Internet Banking number/username, password, card number, customer name, ID number, mobile phone number, verification code and one-time security code generated by a mobile token. BOCHK declares that it has no connection with the phishing SMS and fraudulent websites. Meanwhile, the case has been reported to the Hong Kong Monetary Authority and the Hong Kong Police Force.

When conducting transactions through electronic channels, customers are advised to access their Internet Banking or Mobile Banking accounts by typing the website address of BOCHK (www.bochk.com) directly into the browser address bar, or through the BOCHK Mobile Application downloaded from official App stores or reliable sources. Customers should not access such accounts or provide personal information (including passwords) through hyperlinks, QR codes or attachments embedded in SMSs, e-mails or on websites. For more security information about BOCHK’s electronic banking services, please visit www.bochk.com/en/security.html.

Anyone who has logged into the aforesaid fraudulent websites and provided their information should immediately contact BOCHK Customer Service Hotline at (852) 3988 2388 (press 3, # and 2 after language selection).
