BOCHK fully supports the extension of Pre-approved Principal Payment Holiday Scheme

BOCHK will fully support the extension of Pre-approved Principal Payment Holiday Scheme (“Scheme”), which has been launched by the HKMA together with the Banking Sector SME Lending Coordination Mechanism. Under the Scheme, all principal payments of loans falling due between May and October 2021 by eligible corporate customers will be deferred by another six months except for repayments of trade loans, which will be deferred by 90 days. For loans which have been extended for 540 days or more cumulatively since first being drawn down (or trade loans which have been extended for 270 days or more cumulatively since first being drawn down), BOCHK will adopt a flexible approach and consider, on a case-by-case basis, whether other forms of relief are more suitable to help the customers ride out the current difficulties and alleviate cash-flow pressure.

If customer wishes to understand further details of the Scheme or apply for the above-mentioned repayment deferment, please contact your relationship manager or call our Corporate Customer Service Hotline (852) 3988 2288.
