Introduction of “CityU Banking Services Centre”:

BOCHK is going to open a new “CityU Banking Services Centre” at the Kowloon Tong main campus of City University of Hong Kong in the coming academic year, providing the university community with a full range of digital banking services. The new branch adopts an innovative eZone and open branch design, Customer Service Managers at the branch will be equipped with “Smart Banker” tablets to serve customers more effectively. The branch also equips with 7x24 round-the-clock video banking service “BOCHK iService” and automated banking machines offering real time banking transaction and product application services, integrating digital banking solution into the campus ecosystem and providing customers with simpler, faster and more convenient banking service experience.
