

21 May 2023

Notice of Mobile Banking Service Upgrade

BOCHK strives to provide excellent and secure digital banking experience.

From 21 May, "BeLeaf" will be launched in Mobile Banking which brings you green information and we will continue to roll out new features. If the operating system of your mobile device is below iOS 13/AOS 8, please update to enjoy our enhanced service.

Besides, our Mobile Banking will be fully upgraded from in mid-September. If the operating system of your mobile device is the above-mentioned version, please update it to enjoy our Mobile Banking services.

For enquiries, please contact our online chat or contact us at (852) 3988 2388.
