港青飛翔 區域機遇

Here in Bank of China (Hong Kong) Limited ("BOCHK"), we are committed to nurture the growth and foundations of rewarding careers for young local talents. By utilizing our extensive global networks and strengths in cross-border businesses, we provide university students a wide variety of internship opportunities in the Mainland and ASEAN countries, enriching their exposure to diverse cultural experiences.

This year, we are delighted to invite those who aspire to pursue future careers in the financial sector and banking industry, to go on our Summer Internship in the Mainland and ASEAN offices to acquire valuable work experiences. In this seven-week programme, you will have the chance to develop crucial skillsets, and network with professional mentors in regions with exceptional financial backgrounds. In addition, you will also be enhancing your independence and adaptability by immersing yourself in a completely new culture.

In the world of business, collaboration and agility is vital. So be ready to differentiate yourself among your peers and explore for future possibilities here with BOCHK!

17th June to 2nd August 2019

(Applicants must be available throughout the whole internship)

Locations :

Shanghai ○ Chengdu ○ Ho Chi Minh City ○ Singapore ○ Jakarta

Corporate Banking ○ Personal Banking ○ Financial Markets ○
Risk Management ○ Information Technology

Before
Internship

- **Kickstarting your journey...**

You will have the chance to interact with your batchmates and establish a professional image with tips provided by our staff.

Training in
Hong Kong

- **Cultivate your mindset...**

You will be able to get a deeper understanding of the business operations in BOCHK, as well as getting updates with global financial trends and latest opportunities in ASEAN.

(6-17~6-21, 1 week)

On-the-job in
China & Overseas

- **Expand your network and understanding...**

You will receive training from experienced colleagues and your mentor, who will all provide guidance and feedback to you through various tasks.

Throughout the whole journey, you may understand more about our businesses by gaining a comprehensive overview of the Bank's development, visiting different corporations, and having dialogues with students at local universities.

(6-24~8-2, 6 weeks)

After
Internship

- **Sharing your experience...**

You will be attending a gathering with your batchmates to showcase what you learnt.

Note: According to outline of the Scheme on Corporate Summer Internship on the Mainland and Overseas 2019, interns can also participate in a series of developmental activities organized by the Government of the Hong Kong Special Administrative Region.
