

BOCHK Corporate Green Time Deposit Scheme – Quarterly Report Q3 2023

- As of 30 September 2023, the percentage of all corporate green time deposits allocated to Eligible Green Projects* is as follows:

	As of 30 September 2023
% of corporate green deposits allocated to Eligible Green Projects*	100%

At all times during the quarter ended 30 September 2023, all green deposits were allocated to Eligible Green Projects and at no time were any green deposits unallocated.

- As of 30 September 2023, Eligible Green Projects* where corporate green time deposits were allocated consist of loans according to the following themes:

Green Project Theme	Total Loan Amount (HKD Million)	%
Green buildings	1,587	34%
Pollution prevention and control	2,000	42%
Environmentally sustainable agriculture	1,150	24%
Total	4,737	100%

Note: We engaged a qualified independent third party to review our Eligible Green Projects list, and their most recent report is available on our public website. As set forth in our Appendix I Bank of China (Hong Kong) Limited Description of Bank of China (Hong Kong) Limited's 2023 Green Deposit, we will engage an external reviewer to review our Eligible Green Projects on an annual basis.

*BOCHK offers green deposits to corporate and personal customers separately; green deposits collected from both customer channels are allocated to the common pool of Eligible Green Projects described above.
