For the avoidance of doubt, such other fees are (a) separate from the above monthly fee, (b) not limited to the currencies mentioned in the above table and (c) applicable irrespective of the threshold of the average monthly balance in the Account(s) set out in the above table.
3. "Accounts/Services Application Fee" is applicable to corporate customers (which generally refers to non-individual customers), who newly open an account or service with the Bank. "Tax-exempt Charities", "Social Service Organizations" and "Government and Related Organizations" are exempted for the fee. For details, please contact staff of the Bank.
4. "Company incorporated in Mainland China" refers to corporate customers incorporated in accordance with the relevant laws of the People's Republic of China, regardless of whether such customer is registered as non-Hong Kong companies under Companies Ordinance of Hong Kong (Cap 622) Part 16.
5. "Company incorporated overseas" refers to corporate customers incorporated in accordance with laws other than Hong Kong or the People's Republic of China, regardless of whether such customer is registered as non-Hong Kong companies under Companies Ordinance of Hong Kong (Cap 622) Part 16.
6. Surcharges of overseas local banks may be levied (if applicable).
7. The foreign currency transaction amount will be converted into Hong Kong dollars by the exchange rate imposed by JETCO on the transaction date and deducted from your Hong Kong dollar accounts.
8. Please take notice that any withdrawal of one of the major currencies through ATMs will be debited from your respective MTC account, given you have sufficient foreign currency and activate Foreign Currencies Direct Debit Setting. If you do not have sufficient foreign currency to complete the withdrawal or have not activated Foreign Currencies Direct Debit Setting, we will convert the entire foreign currency transaction amount into Hong Kong dollars and deducted from your Hong Kong dollar accounts according to our prevailing exchange rates. Major currencies include HKD, USD, CNY, GBP, JPY, AUD, NZD, CAD, EUR, CHF, SGD and THB.
9. If you withdraw non-major currencies through ATMs, we will convert the entire foreign currency transaction amount into Hong Kong dollars and deducted from your Hong Kong dollar accounts according to a rate determined by us with reference to the exchange rate adopted by MasterCard on the date of conversion.
10. Foreign currency transaction fee is incurred when a transaction is effected in currencies other than Hong Kong dollars. This fee is waived for BOC Mastercard® Debit Card.
11. If an ATM cash withdrawal outside Hong Kong is converted to Hong Kong dollars via Dynamic Currency Conversion (DCC, which is a service provided by some ATM operators which allow customers to convert a transaction denominated in a foreign currency to Hong Kong dollars at an exchange rate determined by the relevant ATM operator or DCC service provider), the cash withdrawal amount will be converted to Hong Kong dollars using the prevailing exchange rate as determined by MasterCard or the relevant network and deducted from your Hong Kong dollar accounts.
12. You may sometimes be offered the option to settle foreign currency transactions in Hong Kong dollars at the point of sale outside Hong Kong. Such option is a direct arrangement offered by the overseas merchants and not the card issuer. In such cases, you are reminded to ask the merchants for the foreign currency exchange rates and the percentage of handling fees to be applied before the transactions are entered into since settling foreign currency transaction in Hong Kong dollars may involve a cost higher than the foreign currency transaction handling fee.
