The above list is for reference only. Please note that our regular review of the loanable securities list will be conducted and amended on the 20th day of each month (if it is not a trading day, it will be postponed to the next trading day) without prior notice. Please pay attention that our bank may amend the loanable securities list from time to time without prior notice and the change(s) of the loanable securities list may have impact on your securities margin account. You may login Internet Banking/Mobile Banking to view the loanable securities list or call our Personal Customer Service Hotline at +852 3988 2388 for enquiry.

^ Starting from 14 April 2022, new purchase or deposit of Bank of China Limited (HK: 3988 SH:601988) in our Bank's securities margin account will be prohibited until further notice. The securities holdings of Bank of China Limited deposited in the securities margin account before the said date shall remain charged to the Bank and its loanable percentage will remain unchanged.

\* Starting from 15 October 2024, new purchase or deposit of Haitong Securities (HK: 6837 SH:600837) in our Bank's securities margin account will be prohibited until further notice. The securities holdings of Haitong Securities deposited in the securities margin account before the said date shall remain charged to the Bank and its loanable percentage will remain unchanged.

Note: Except BOC Hong Kong (Holdings) Ltd. (Stock Code: 2388 / 82388), all the securities in the Margin Account (regardless of whether they have any loanable percentage) are being charged to us.

Reminder: For HK stocks that support HKD-RMB Dual Counter Model, the loanable percentage of stocks in HKD counter and RMB counter may be different, it is possible that no loanable percentage is provided for particular stock in particular counter. BOCHK will list the loanable percentage (if applicable) by stock code separately.

**Bank of China (Hong Kong) Limited**
