Risk Disclosure:

The following risk disclosure statements cannot disclose all the risks involved and does not take-into account any personal circumstances unknown to BOCHK. You should carefully consider whether trading or investment is suitable in light of your own risk tolerance, financial situation, investment experience, investment objectives, investment horizon and investment knowledge. You should undertake your own independent review and seek independent professional advice before you trade or invest especially if you are uncertain of or have not understood any aspect of the following risk disclosure statements or the nature and risks involved in trading or investment.

Risk of Foreign Currency Trading:

Foreign currency investments are subject to exchange rate fluctuations which may provide both opportunities and risks. The fluctuation in the exchange rate of foreign currency may result in losses in the event that customer converts the foreign currency into Hong Kong dollar or other foreign currencies. Currency exchange is also subject to cost (being the spread between the buy and sell of relevant currencies).

RMB Conversion Limitation Risk:

RMB investments are subject to exchange rate fluctuations which may provide both opportunities and risks. The fluctuation in the exchange rate of RMB may result in losses in the event that the customer converts RMB into HKD or other foreign currencies. Currency exchange is also subject to cost (being the spread between the buy and sell of RMB).

RMB is currently not fully freely convertible. Individual customers can be offered CNH rate to conduct conversion of RMB through bank accounts and may occasionally not be able to do so fully or immediately, for which it is subject to the RMB position of the banks and their commercial decisions at that moment. Customers should consider and understand the possible impact on their liquidity of RMB funds in advance.

Risk disclosure of Fund:

Fund products or services are not equivalent to, nor should it be treated as a substitute for, time deposit. Although investment may bring profit opportunities, each investment product or service involves potential risks. Due to dynamic changes in the market, the price movement and volatility of investment products may not be the same as expected by you. Your fund may increase or reduce due to the purchase or sale of investment products. The value of investment funds may go up as well as down and the investment funds may become valueless. Therefore, you may not receive any return from investment funds. Part of your investment may not be able to liquidate immediately under certain market situation. The investment decision is yours but you should not invest in these products unless the intermediary who sells them to you has explained to you that these products are suitable for you having regard to your financial situation, investment experience and

investment objectives. Before making any investment decisions, you should consider your own financial situation, investment objectives and experiences, risk acceptance and ability to understand the nature and risks of the relevant product. Investment involves risks. Please refer to the relevant fund offering documents for further details including risk factors. If you have any inquiries on this Risk Disclosure Statement or the nature and risks involved in trading or funds etc, you should seek advice from independent financial adviser.

BOCHK is appointed by fund houses as agent. The fund product is a product of fund houses but not that of BOCHK. In respect of an eligible dispute (as defined in the Terms of Reference for the Financial Dispute Resolution Centre in relation to the Financial Dispute Resolution Scheme) arising between BOCHK and the customer out of the selling process or processing of the related transaction, BOCHK is required to enter into a Financial Dispute Resolution Scheme process with the customer; however any dispute over the contractual terms of the fund product should be resolved directly between the fund house and the customer.
